## USGBC Oklahoma - Chapter Announcement

### Demystifying GBCI's Credential Maintenance Program: OPEN TO THE PUBLIC

*Please join us to learn about the  
new requirements for LEED Professional Credential Maintenance.*

Kim Limbaugh, USGBC Oklahoma Chapter Education Committee Chair, will explain the CMP requirements for LEED AP's who have either taken one of the new LEED Professional exams or have enrolled (or plan to) to earn a specialty designation. This general overview will focus on the following: enrollment, continuing education hours, delivery methods, categories, prescriptive requirements & online reporting.

The presentation will last about an hour with a Q&A to follow. Additionally, a brief overview of the programs offered by ITT Technical Institute will be provided and an opportunity to tour of their facility will follow our presentation.

**Tuesday, August 31<sup>th</sup> at 6:00pm**

ITT Technical Institute  
8421 E. 61<sup>st</sup> Street, Suite U  
Lab #1  
Tulsa, OK 74133-1915

This presentation is free to USGBC Oklahoma Chapter members and \$10 for non-members. However, you may register for membership at the door to save money on future events.
