

**Science Café  
Norman will be  
brewing again  
at the Norman  
Public Library on  
Thursday May 5<sup>th</sup>  
at 7pm**

**Join us to hear**

**Dr. Kim Milton**

**George Lynn Cross Research  
Professor of Physics  
discuss**

**“Does Nuclear Power  
Have a Role to Play in the  
US Energy Budget?”**

You are invited to attend this program, which is free, open to the public, and sponsored by the Friends of the Library. Coffee will be provided by Gray Owl Coffee.
