

# Green Home Loan Program

## How Does It Work?

Community Action Agency can lend up to \$15,000 with a fixed 3% interest rate to fund energy efficiency improvements to your home. Loans can have up to a 48-month repayment schedule.

## Eligible Projects:

Electrical Appliance Replacement

Lighting Efficiency Upgrades

Heating & Cooling Upgrades

Pipe Insulation

Air Sealing

Window or Door Replacement

Attic Insulation & Ventilation

Water Conservation

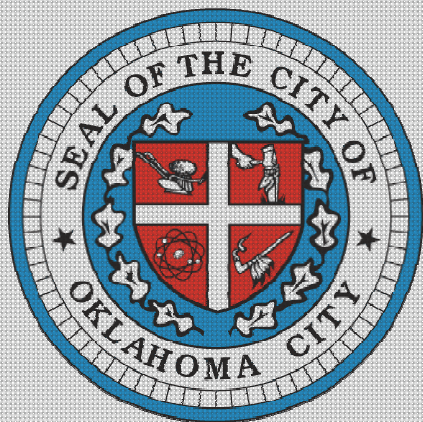

"Cool Roof" Installation

Water Heater Replacement

## Who Can Apply?

Anyone meeting the following requirements:

- Your household income does not exceed \$100,000;
- Your house is a residential structure and your PRIMARY residence;
- You are not a landlord or a tenant;
- Your house is located in the corporate limits of the City of Oklahoma City;
- You have not previously received funds from a federal weatherization program.
